

# happywood

**Product Type:**  
Recycled Content  
Porcelain Stoneware

**Sizes:**  
• 5<sup>7</sup>/<sub>8</sub> x 23<sup>5</sup>/<sub>8</sub>  
• 3<sup>15</sup>/<sub>16</sub> x 23<sup>5</sup>/<sub>8</sub>

**Colours:**  
• Avorio  
• Paglierino  
• Noce  
• Wengè  
• Grigio

**Recommended Uses:**  
Medium & Light Commercial  
Residential  
Interior and Exterior (Walls)  
Floor and Wall  
Fireplaces

**Finishes:**  
• Matte  
• Honed  
• Extra Resistant (Antislip)

**Trims:**  
• 3<sup>15</sup>/<sub>16</sub> x 23<sup>5</sup>/<sub>8</sub> Surface Bull-Nose  
• 3<sup>15</sup>/<sub>16</sub> x 23<sup>5</sup>/<sub>8</sub> Stair Tread

Happywood is a fully vetrified porcelain and is ideal for floor and wall installations, both commercial and residential. Happywood takes the warmth of natural wood and adds the strength of porcelain stoneware: it does not wear, deteriorate or get ruined. The special hardness eliminates streaks and scratches. The surface is compact, it does not stain or absorb. It can be washed and sanitized: no problems, even when using harsh detergents. It is totally un-absorbing, can be installed in wet areas as well.

HAPPYWOOD helps meet the criteria for the attaining of LEED credits for the following aspects:  
MR Credit 4.1  
MR Credit 4.2

Grigio

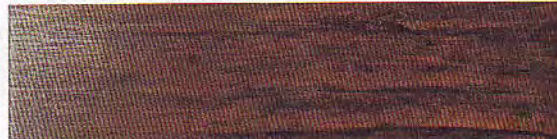

Avorio

Paglierino

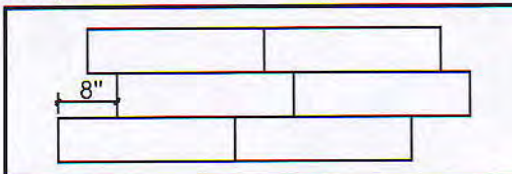

Noce

Wengè

TECNICAL FEATURES	ASTM TESTING
Water Absorption	E ≤ 0,5%
PEI Rating	PEI IV - PEI V
Stain Resistance	Resistant
S.C.O.F.	Dry ≥ 0.65 Wet ≥ 0.60
Frost Resistance	Frost Proof

SIZES	Pcs/box	Sqmt/Box	Kgs/Box	Boxes/Pallet	Sqmt/Pallet	Kgs/Pallet
5 <sup>7</sup> / <sub>8</sub> x 23 <sup>5</sup> / <sub>8</sub>	14	1,277	28,34	50	63,83	1417
3 <sup>15</sup> / <sub>16</sub> x 23 <sup>5</sup> / <sub>8</sub>	14	0,845	18,90	70	59,15	1323

**OFFSET PATTERN: Recommended arrangement**  
In the case of Random Patterns installations, we recommend offsetting the modules, but by no more that 8 Inches.
