Certificazioni / certifications

NovaBell garantisce il miglior gres porcellanato tecnico, un **materiale certificato, sicuro ed ecologico**. Le materie prime, cotte ad altissime temperature, sono inalterabili, inattaccabili e non rilasciano sostanze nocive.

NovaBell guarantees the highest quality standards of its technical porcelain stoneware, a **certified, safe and eco-friendly material**. The raw materials are fired at extremely high temperatures to create a product that is tough and hard-wearing and does not release harmful substances.

NovaBell garantit le meilleur grès cérame technique, un **matériau certifié, sûr et respectueux de l'environnement**. Les matières premières, cuites à très haute température, sont inaltérables, inattaquables et ne dégagent pas de substances nocives.

NovaBell bietet ein besonders hochwertiges technisches Feinsteinzeug, ein **zertifiziertes, sicheres und umweltfreundliches Material**. Die bei sehr hohen Temperaturen gebrannten Rohstoffe sind beständig, haltbar und setzen keine Schadstoffe frei.
